And when do you need it by? I'd like to have the total cost from April first in order to come up with a better estimate.

Thanks!

Subject: Additional Funding Requests

Hello all,

Many of you have claimed more expenditures than we have paid you for the last "quarter," which indicates that there may be some additional funding needs as we finish out the fiscal year. There is some funding that was not spent during the first half of FY17 that I am looking at allocating on the June invoice. Please let me know if your organization is in need of additional funding for the remainder of FY17, and provide an reasonable estimate that you think you will be able to spend before the end of the fiscal year.

Thanks,

Emily Kraft
